City

Project area

(Combatting Maternal and Infant Mortality, Family Leadership Development, Workforce Development, Program Quality Improvement, Enrollment and Recruitment, and Community Responsiveness).

What funding level are you applying for?

(\$5,000, \$15,000, \$25,000 or \$50,000)

What is the main goal or objective of the proposed project and what need do you hope to address?

Explain the methods used to determine the need for this project. Describe how you addressed the needs of the community during your process.

Provide a summary of the project's significance and potential impact.

What specific activities or tasks will be undertaken as part of the project? Include a timeline. Grants will be announced in May. *Funds will be awarded in May 2026 and can be used as soon as received. A final report will be due to Parents as Teachers by July 15, 2027.*

How will the success of the project be measured and evaluated?

What are your plans for sustainability of the funded project?

If you have created an optional video about the proposed project, upload it directly to the platform.

I agree to submit a report about the funded project to Parents as Teachers by July 15, 2027.

I have uploaded the required number of Letters of Support to our company record in the PAT Portal. You will need 1 letter for the \$5,000 and \$15,000 awards and 2 letters for the \$25,000 and \$50,000 awards.

Provide a budget narrative of how the funds will be allocated to different project components.

- Funding amount for professional development or training
- Funding amount for materials and supplies
- Funding amount for staff stipends
- Funding amount for travel costs
- Funding amount for publication costs
- Other costs
